**Reference: Annual Escalation for CorporateCare® or Engine Maintenance Agreement
No. E163.001.000 for Aircraft Serial No. 1284 (the "Agreement")**

Dear Sir or Madam,

We are writing to advise you that the applicable charges due in the aforementioned Agreement are subject to annual escalation in accordance with the Escalation Formula as provided in the Agreement.

The charges under the Agreement for the year 2016 have been adjusted in accordance with the escalation formula and the factor is 1.86% (per cent). Therefore, effective from 1st January 2016 the new applicable charge shall be as follows:

Charge Per Engine Flight Hour: \$246.76

Please also take note that effective 1st January 2016 Rolls-Royce will impose a service charge of 3% on payments made by credit card. This service charge is neither set nor retained by Rolls-Royce but assessed by a third party financial service provider for processing credit card transactions. It is therefore not refundable, even if the related payment to Rolls-Royce was refunded.

We would like to take this opportunity to thank you for choosing CorporateCare® and to let you know that your business is highly valued by Rolls-Royce. We look forward to continuing to provide support for your Aircraft through CorporateCare®.

Should you have any questions, please do not hesitate to contact us or your assigned Rolls-Royce Regional Customer Manager.

Best Regards,

Rolls-Royce Deutschland Ltd & Co KG
